Academic Abilities:

Being a one year fast track, the program at Great Lakes is highly demanding and intense; candidates with consistent academic background and an ability to sustain pressure make the shortlist.

Standardized Test Scores:

To eliminate inconsistencies between colleges and universities at the Undergraduate level, Great Lakes considers GMAT or CAT scores in the overall assessment.

Leadership and Interpersonal Skills:

Great Lakes as an institute promises to deliver "Business Ready Managers" who would be leaders in their fields, and hence applicants who have exhibited leadership skills at work and/or in school/college make the grade to be part of the Great Lakes family.

Integrity and Ethical Values:

Great Lakes lay emphasis on integrity and values including originality. Plagiarism will be probed
